Experience Certificate

This is to certify that **Hussain Khan** has successfully completed an internship in Node.js Development at BrightCodeLab during the period between 1st July 2025 to 30th August 2025.

During his internship, he was involved in the following tasks:

- Developing and maintaining server-side applications using Node.js.
- Building and integrating RESTful APIs.
- Working with databases to manage and optimize data storage.
- Debugging and improving backend performance.
- Collaborating with frontend developers to ensure seamless integration.
- Participating in team meetings and code reviews.

Hussain Khan exhibited strong learning capabilities, dedication, and professionalism throughout the internship period. We appreciate his contribution and wish him all the best in his future career endeavors.

Sincerely,

AWAIS kHAN
CEO
